

YOUR FILL-A-BOX INSTRUCTIONS

To avoid confusion, it's vital to make it very clear what you require from PIY REMOVALZ™ right from the start. To do this just fill in the blanks, circle and tick the options you want below then sign and send this form to us. It won't take long and will help you decide exactly what you want *before* you go any further.

What if I don't sign this form before sending it? Nothing will happen without your signature.

Why can't I just phone my instructions through? It's important to use this written instruction to protect yourself from anything being misheard over the phone or misunderstood – plus it's a great checklist to make sure you get what you need from us and it's actually more efficient than phoning in.
